BradyPLUS ProWASH Service

Consistent, Competent, Compliant

BradyPLUS ProWASH technicians are not commissioned Sales Representatives. Their focus is customer satisfaction, ongoing program success, and the property's best interests. The BradyPLUS ProWASH service model saves customers money by drastically reducing overuse/consumption, repetitive products with the same cleaning function, and the exposure to misuse of multiple chemicals.

The BradyPLUS ProWASH Division support includes:

- + Dedicated, highly-trained warewash specialists and technicians
- + 24/7 technical and emergency support
- + Weekly scheduled audits, Electronic audit reporting
- + Equipment planning and installation
- + Modern system reporting and monitoring capabilities
- + Unlimited employee training (In-person and Online)
- + Literature, wall charts and testing materials

Three Key Benefits of KleenLine™ Pro MAX-3X

LESS INVENTORY = MORE STORAGE

1

Thanks to MAX-3X's concentrated formulas, each 1 gallon container is equal to 3 gallons of traditional chemical. The concentrated formulas and small packaging will allow you to stock less product than with your traditional chemical, freeing up storage room space.

OFF THE FLOOR = MORE FLOOR SPACE

2

While in use, MAX-3X products are not on your kitchen floor. The bottles hang on secure hooks, freeing up valuable floor space in your kitchen.

TAMPER RESISTANT = SAFER = COST SAVINGS

3

MAX-3X bottles are safer to use! The closed-loop system prevents spills, abuse, and accidents during product replacements. Products can only be dispensed when the proprietary dispensing cap is engaged, eliminating the risk of injury. Additional MAX-3X closed loop containers are more cost effective because employees can't free pour and overuse chemicals.

Dish Machine Products

KleenLine™ Pro MAX-3X Mechanical Detergent

Concentrated heavy-duty nonchlorinated all temperature machine warewashing detergent. Optimized for water conditioning, soil suspension and rinse ability, it delivers superior dish cleaning power.

1 Gallon, 2/cs KL-WWMD2

KleenLine™ Pro MAX-3X Heavy Duty Dish Machine Detergent

Use in both Low and High Temperature Dish Machines - Chlorine free, high alkaline, high performance detergent blended with superior water conditioners and soil suspending agents that remove the most difficult soils & grease; even in extreme hard water conditions.

1 Gallon, 2/cs KL-WWMD4

KleenLine™ Pro MAX-3X Mechanical Rinse-Aid

Concentrated rinse additive delivers rapid sheeting for spot free drying in both low and high temperature dish machines. Low foaming surfactant formula delivers superior drying performance.

1 Gallon, 2/cs KL-WWRA2

KleenLine™ Pro MAX-3X Heavy Duty Dish Machine Rinse-Aid

Premium specialty rinse additive formulated to control high levels of water hardness and total dissolved solids (TDS) in difficult water conditions.

1 Gallon, 2/cs KL-WWRA3

Betco Low Temp Machine Chlorine Sanitizer

EPA registered sodium hypochlorite based sanitizer for use in low temperature and low energy dishmachines. It sanitizes ware and aids in stain and protein soil removal on plastic, china, and tableware in the wash cycle.

1 Gallon, 2/cs WWSA4

Three Compartment Sink Products

KleenLine™ Pro MAX-3X Manual Pot & Pan Detergent

Economical dishwashing detergent specially designed for industrial, institutional and restaurant use. It produces an abundance of long lasting suds, works quickly and leaves surfaces spot and film free.
1 Gallon, 2/cs KL-WWDS1

Betco Sanibet Multi-Range Quat Sanitizer

NSF International Certified and EPA approved broad range sanitizer. Multi-Range Sanibet™ kills 99.99% of food service organisms Listeria, E-Coli, and Salmonella. A versatile product, it can be used to sanitize serving ware, utensils, pots & pans, and food processing equipment.
1 Gallon, 2/cs WWSA3

KleenLine™ Pro MAX-3X Liquid Pre-Soak

This double-duty product is an effective presoak for softening food soils on flatware prior to machine processing. It helps remove egg yolk, cheese, dried ketchup and other sticky food residues, ensuring one-wash clean ware.
1 Gallon, 2/cs KL-WWPR1

KleenLine™ Pro MAX-3X Heavy Duty Manual Pot & Pan Detergent

Cuts through baked-on food and grease. Ultra concentrated. Utilizes the best surfactants and rinses quickly and easily. Effective on grease and fat, yet gentle on the hands.
1 Gallon, 2/cs KL-WWDS9

Floor Cleaners

KleenLine™ Pro MAX-3X All-Purpose Degreaser

A heavy-duty degreaser specifically formulated to instantly dissolve the greasy, oily soils found in commercial kitchens. This ultra concentrated fast acting product delivers unbeatable performance & true economy.

1 Gallon, 2/cs KL-WWMI2

KleenLine™ Pro MAX-3X Enhanced Floor Cleaner

Uniquely formulated with detergents, emulsifiers, builders and proprietary bioactive non-pathogenic bacteria that digest complex proteins starches and fats. Product continues to work even when the floor is dry.

1 Gallon, 2/cs KL-WWFC1

KleenLine™ Pro MAX-3X Chlorinated Degreaser

This low foam chlorinated degreaser has terrific grease removal properties while producing low foam. It is the ideal product for cleaning equipment and pumps. It does not clog equipment or pumps due to excess foam.

1 Gallon, 2/cs KL-WWMI3

Additional Kitchen Products

KleenLine™ Pro Oven & Grill Cleaner

A heavy-duty, non-flammable, commercial cleaner designed for use on warm or cold surfaces. Quickly removes baked-on foods, grease and carbon deposits.

1 Quart, 12/cs KL-CHFS2
1 Gallon, 4/cs KL-CHFS1
5 Gallon Pail 1/cs KL-CHFS3

KleenLine™ Pro Heavy Duty Oven & Grill Gel

A premium high performance, non fuming, non-flammable, non-butyl, thickened cleaner that clings to vertical surfaces providing longer contact time for easier cleaning.

1 Quart, 12/cs KL-CHFS6
1 Gallon, 4/cs KL-CHFS5

KleenLine™ Pro Heavy Duty Delimer

Heavy Duty Delimer eliminates hard water deposits and lime scale from dish machines and stainless steel.

1 Gallon, 4/cs KL-WWMD3

Additional Kitchen Products

NEEM Grease Traps & Drain Cleanser F.O.G. Pucks Large

Grease Trap & Drain Cleaner FOG pucks (8oz or 226g) is a bacteria block, specifically formulated and packaged for use in restaurant drains & grease traps. Normal use eliminates the cost of daily or weekly treatments and reduces malodors that attract fruit flies.

2.5 X 8 oz. pucks, 64/cs
Z320C1400

NEEM Drain Treatment F.O.G. PUCKS Small

NEEM Drain Treatment FOG Pucks (1/2oz or 16g) provide a continuous dosing of beneficial bacteria and effective ingredients into the beverage tray drain to help prevent build-up and control odors, which will help keep fruit flies away.

1.25 X 9/16 pucks, 400/cs
Z321C1200

Betco Green Earth® Garbage Disposal Cleaner

Green Earth® Garbage Disposal Cleaner is an effective foaming microbial cleaner and freshener for all types of garbage disposals. The pleasant fragrance along with the microbial cleaning action leave tough-to-reach disposal sidewalls, blades, and pipes clog free and smelling fresh.

2 oz. pouches, 30/bucket
WWSA0007

Betco Oxy Destainer Powder

An oxygen releasing compound formulated to remove stains from china and plasticware in restaurants, cafeterias and institutional kitchens. May be used as a presoaking solution prior to machine or manual dishwashing.

2 X 8 lb jars #LASP1

Test Strips and Rolls

Chlorine Test Paper Roll, 1/cs
#CG9033

QT 40 Quaternary Ammonia Roll
1/cs #CG1540

pH Strip Test Roll, 1/cs #CG9034

Featured Warewash Dispensing Equipment

Quantura 200 Dishwash Two-Product Dosing System

Two-product Liquid / Liquid warewashing system, designed to provide reliable, precise, and consistent dispensing of detergent and rinse aid into single tank, conveyor, or flight-type dish machines.

Quantura 2-Pump Warewash Pump Probeless
#QD200P-BT/C/U9

Quantura 100 Dishwash Add-On Pump

Add on pump for Low Temperature warewashing systems, designed to provide reliable, precise, and consistent dispensing of chlorine sanitizer into single tank, conveyor, or flight-type dish machines.

For use with Quantara 200 for 3-Product Dosing System
#QD100-BT/C/U9

Brightwell EcoSink 1-Product Garden Hose Connection

Single portioner with dial control for three compartment sinks and all dilution applications. Can add up to four in a series. 4-GPM.

Dispenser only
(Does not include the faucet adaptors or hose)
#DS1HC-S/U9

Brightwell EcoSink 2-Product Garden Hose Connection

Two product dispenser designed for three compartment sinks for manual dishwashing in industrial kitchens. Female garden hose inlet for faucets connections with adaptors. 4 GPM.

Dispenser only
(Does not include the faucet adaptors or hose)
#DS1HC1HC-S/U9

Brightwell ECOSINK 2 Hot/Cold Connection

Two product dispenser designed for three compartment sinks for manual dishwashing in industrial kitchens. Hot/cold version with 3/8" OD 90 degree connection fittings. 4 GPM.

Brightwell EcoSink 2-Product Hot/Cold Connection
#DS1HC1HH-S/U9

Selecting the correct **Commercial Dish Machine** for your kitchen is important to your bottom line. The BradyPLUS ProWASH team has industry knowledge, a proven process, and relationships with top dish machine vendors. We will listen to your needs, survey your kitchen, and consult with you on selecting the right equipment for your needs today and to meet your future plans.
