

PRODUCT SPECIFICATION SHEET

Scale Remover

Item No. CHRE8

Description:

Earthly Individual products are formulated and packaged to have a reduced environmental impact while still maintaining superior performance. Highly active, powerful, non-fuming acid-based product for fast removal of heavy build-up of soap scum, lime deposits, hard water spots, grout haze, calcium, uric crystals and rust. Use on chrome fixtures, sinks, drinking fountains, glass, dish machines, drain lines, coolant towers, restroom showers & more.

Features & Benefits:

- Contains organic acids, powerful cleaning agents that inhibit scaling and soil buildup
- Non-corrosive acid removes the toughest soap scum deposits.
- Pleasant fresh mint fragrance.

Directions:

This product is for removal of difficult, hard water stains and soap scum in all areas of the restroom including tile and grout surfaces, countertops, sinks and toilets. Use on acid resistant surfaces only. Do not use this product on marble, aluminum, terrazzo, Formica® or carpeting. Test in an inconspicuous area before use. Contains acids, do not use with bleach, ammonia or any other chemicals. Spray product on surface to be cleaned. Allow clinging foam to contact surface for 4 - 6 minutes to penetrate deposits. Wipe with a sponge, cloth or brush.

Ideal for use in:

- Spray bottle
