

A Welcome Sign That Helps Build Loyalty

When you offer PURELL® brand and KLEENLINE™ brand products, customers know they're in a safe and clean environment — and that peace of mind will keep them coming back again and again. In fact over 75% of customers agree that grocery stores that provide PURELL products care about their health and wellness.¹

Effective

Our products work hard to kill germs in the most demanding situations.

Protect Reputation

Combat cross-contamination and food-borne illness by stopping germs where they start with proactive measures, not reactive ones.

Place Anywhere

Be prepared in high-touch areas with safe and effective hand sanitizers and powerful surface products free of harsh chemicals.
