

T661M TREADMILL

The SportsArt T661M treadmill is designed for reliability, comfort, and safety, making it perfect for rehabilitation settings. Its durable 3.0 HP DC motor and ECO-GLIDE™ auto-lubrication system ensure smooth, dependable operation, while the MyFlex+ omni-directional cushioning provides exceptional comfort. Safety is prioritized with features like an emergency stop button, medical handrails, and micro-amp leakage filter.

KEY FEATURES

- MyFlex+ deck cushioning provides 30% more shock absorption and carries a lifetime warranty
- Large 20 x 58 in. belt provides ample running space and is constructed from carbon-weave, low friction material that is resistant to static build-up
- Meets UL requirements for current leakage in a medical setting
- Full length medical side rails with pediatric lower sections for better patient stability
